

# Lavender Experience

When the flowers bloom, it's the perfect time to enjoy an unforgettable experience while exploring the lavender trails and discovering the flora and fauna of Abadía Retuerta. Lavender Experience gives visitors the very unique and original opportunity to be immersed in the natural heritage and recovery of the estate and, of course, in our wines.

## The Experience:

Welcome to our winery, where your guide awaits you to begin *the private tour*:

- **HARVESTING LAVENDER. THE STILLS.**  
Manual harvesting of lavender flowers by our guests for the subsequent extraction of the essences in a traditional still. Each participant will receive all the necessary materials for the field.
- **THE ESTATE. DISCOVERING OUR NATURAL HERITAGE AND THE VINEYARD.**  
Exploration of the estate on foot and vineyard tour: the cycles of the grapevine, tasting of different varieties in season. The flora and fauna of Abadía Retuerta-LeDomaine.
- **THE WINE. THE FORCE OF GRAVITY.**  
Tour of the Preparation Room and our surprising Barrel Rooms.
- **WINE TASTING AND FOOD PAIRING.**  
Guided tasting of three wines: Abadía Retuerta Selección Especial and two exclusive varietal Pago wines from Abadía Retuerta. This is all accompanied by a selection of handmade products from our region to help you recover after your day in the country.<sup>1</sup>
- **END OF TOUR. LAVENDER ESSENCES.**  
An aromatic experience with the essential oils extracted from the harvested lavender.
