

Stargazing Experience

“Discover the almost infinite beauty of the sky”

Leave the noise and light of the town and experience the incredible beauty and calming effects of the stargazing.

The night sky is a wonder to observe. With the phases of the Moon, the movement of the constellations, the Milky Way and the constant dance of the planets around our Sun.

Thanks to its privileged location in a setting of exceptional natural beauty, Abadia Retuerta LeDomaine benefited with one of the clearest night skies in Spain, on the banks of the Duero Valley.
